Student Plagiarism: Coursework – Policy and Procedure Compliance Statement Individual/Collaborative Work

Please note that collaboration between students on assessments is only permitted in relation to assessments specifically designated as "Group Assessments".

This statement relates to all Work that I will submit for Human Biochemistry in Semester 2, 2013, namely:

- Colorimetric assignment (constructed by individual student);
- Radioactivity work (experiments designed and data obtained by a pair of students, PowerPoint presentation may be constructed as a pair but each student must submit/deliver separately);
- ELMA work (lab tasks designed and executed by pair of students; final assay design task or skills test to be completed as individuals)
- Laboratory eNotebook (constructed by individual student)
- The examination (performed by individual student)
- Any other assessment tasks (eg WebCT quizzes, all of which are to be done by individuals)

I certify that:

1. I have read and understood the University of Sydney Student Plagiarism: Coursework Policy and Procedure as listed on the University website at : <http://sydney.edu.au/policies/> (search for 'plagiarism' or 'academic honesty')
2. I understand that failure to comply with the Student Plagiarism: Coursework Policy and Procedure can lead to the University commencing proceedings against me for potential student misconduct under Chapter 8 of the University of Sydney By-Law 1999 (as amended);
3. The Work I submit, as listed above, will be substantially my own, and to the extent that any part of this Work is not my own I will indicate that it is not my own by acknowledging the source of that part or those parts of the Work.
